Newsletter Number 2 - September 2011

Firstly, my apologies for the delay in this the 2nd Newsletter for this event, where has the last 4 months gone! But do not panic, we are well underway with the organising of this event, it is just the paperwork that is lagging.

The Nomination form for teams, composite teams and draft riders has been provided with this newsletter and can be found on the website. All teams and draft riders are to be advised to the Event Secretary via the relevant forms and according to the entry criteria.

Nominations close on Wednesday 26th October 2011, and these are to be posted to the address on the Nomination form. Please also complete the Team Requirements form for each of your teams and enclose this with your Nominations form/s. If you wish to pay via internet banking, please contact us and we will provide the bank details.

We have secured a very reasonable price for the Horse accommodation at Canterbury Park. As advised in the 1st Newsletter, we are only able to offer boxes as Canterbury Park is part of the Southern Motorway construction and grazing is not available on the grounds. Competitors & Supporters can camp at Canterbury Park. All details regarding boxes are on the Team Requirements form.

On the evening of Tuesday 17th of January there will be an informal get together at the grounds with catering for an evening meal. We will require confirmation of numbers attending the get together with the nomination forms so that arrangements can be made with the caterer. We propose that this meal will be in the form of a BBQ at a cost of approx \$15 per head, further information will be included in the next newsletter.

The AGM will follow 20 minutes after the completion of classes and prize giving at the end of the first day's competition. Remits must be sent to event secretary by Wednesday 26th October 2011, and these will then be forwarded to all branches attending, in November 2011.
